**General Rules for LL.B. (Three Year) {Six Semester} Degree Course  
(Session 2009-10 and onwards)**

WHEREAS, it is necessary to adopt and implement the revised curriculum and rules formulated by the Bar Council of India, M.J.P. Rohilkhand University, Bareilly hereby adopts LL.B. Three Years (Six Semester) Degree Course of Study and frames the following general rules for the implementation from the academic year 2009-10 onwards.

**(i) Eligibility for Admission:**

A candidate will be eligible for admission to LL.B. class if he/she has completed BA/B.Sc/B.Com or any other bachelor's degree recognized by M.J.P. Rohilkhand University and has secured not less than 45% marks at Graduate level. However, for SC/ST candidate minimum percentage of marks will be 40%.

**(ii) Admission Procedure:**

Admission to LL.B. First Semester will be made strictly on the basis of the merit list prepared according to the percentage of the marks obtained by candidates in the qualifying examination plus the weightage, if any, for which the candidate may be entitled as per University Rules. The percentage will be calculated upto three figures after decimal point.

**(iii)** To determine the merit for admission of such candidates who have secured equal marks in the qualifying examination, the percentage of marks secured by the candidate at the intermediate or equivalent examination will be the determining factor of merit for admission.

If the marks obtained at the intermediate or equivalent examination by two or more candidates are the same, in that case the candidates senior in age will get preference in the merit list.

**(iv)** Reservation and weightage shall be as per University Rules.

**Unquote (Justification):**

1. Since the number of candidates applying for entrance examination for admission to LL.B. is less than three times of the available seats in affiliated colleges, there is no need for entrance examination.
2. It has been observed in previous years that a lot of time is wasted in the process of entrance examination and counseling, and still most of seats in various affiliated colleges could not be filled by the university; hence, this system is of no utility in such circumstances.
3. A significant majority of candidates, who apply for admission to this course are graduates from the Mahatma Jyotiba Phule University; so we can rely on the examination results of the same university.

**(v) Prohibition to register for two regular courses of study:**

No students shall be allowed to simultaneously register for a law degree programme with any other graduate or post graduate degree programme run by M.J.P. Rohilkhand University or any other University or an Institute for academic or professional learning.

**(vi) Age on admission:**

Bar Council India has recommended for maximum age on admission to LL.B. Course; however, these are only recommendatory and not mandatory. Since M.J.P. Rohilkhand University is an affiliating University for LL.B. Course, the Faculty Board is of the view that maximum age bar is not feasible as of now. However, the Vice Chancellor, M.J.P. Rohilkhand University may take final decision regarding age on admission keeping in view the recommendation provided in Schedule III Para 28 of Bar Council India Rules of Legal Education after necessary deliberations.

**CORE PAPERS**  
**LL.M. I SEMESTER**  
**PAPER II**  
**LAW AND SOCIAL TRANSFORMATION IN INDIA**

**1. Introduction:**

Law is considered a social phenomenon. It removes the hindrances that hinder human growth. The legal phenomenon in spite of having a unique, objective identity is inherently tied to the social realities. The modern anthropocentric world considers individual as the center of the universe and law along with society must serve this individual. A tectonic shift in the society is bound to change the legal culture of a country. A Kelsenian/normative approach necessitates that Constitution changes the society whereas the sociological approach is of the view that it is the society that transforms the legal structure. Indian has adopted the latter approach. The purpose of the course is to familiarize the students with the changing dynamics of the Indian Legal system from post-independence to the current era of globalization.

**LL.M. II SEMESTER****CORE PAPER I****Jurisprudence and Legal Theory- II****1. Introduction:**

The nature of law has changed drastically in the 21<sup>st</sup> century. We are living in the age of post modernism where Skepticism is in vogue. The contemporary era does not ask as to „what is the law?“ or what is the nature of legal enterprise? What is required now is a moment of reflexivity. One must question whether law is truly an independent, objective phenomenon or a range of different phenomena which are loosely grouped under the heading of law? In addition to the Liberal – Positivist approach to law, various other Schools have made their inroads into the ontology of law. The paper is an attempt to incorporate these new approaches and to develop a sense of reflection among the students. International social movements are affecting legal cultures all across the world and academics have opened new epicenters of knowledge. Third World Scholars have challenged the hegemony of Western intelligentsia and the Bretton Woods system has been challenged by the South Block ever since the outbreak of the sub-prime mortgage crisis.
